

CRITIDES TECHNICAL ASSOCIATES

Products Engineered for Industrial Heating, Temperature Measurement & Process Control

Thermal Systems - Heaters, Sensors, Controls & Software
Flexible Heaters, Radiant Heaters, Circulation & Process Heaters
Thermocouples, RTDs, Wire, Cables, and Accessories
Collectors: Single & Multi-Loop, Limits & Alarms & Software

Heat Tracing, Freezing Protection,
Custom Heating Mantles, Insulation

Industrial Thermocouples, Precious Metal Thermocouples,
Protecting Tubes and Wire

Industrial Heaters, Process Heaters,
Sensors & Process Controls

Specialty and Multipoint Thermocouples,
Thermocouple Wire

Visionary Solutions for Industry® Since 1972 — ISO 9001 Certified

TEMPCO Electric Heater Corporation
USA Manufacturer of Electric Heating Elements, Temperature Controllers,
Temperature Sensors & Turnkey Process Heating Systems

Industrial Heaters, Sensors & Process Controls

Built-in Programmable Transmitter & RTD Probes

Cast-X Circulation Heaters & Cast Aluminum Heaters

Thermocouples & RTD Assemblies

Industrial Heating Elements & Thermostat Controls

Melt Pressure Gauges, Melt Pressure
Transducers/Transmitters, Extruder Rupture Disks,
Melt Temperature Sensors

Band heaters/ Strip heaters /open coil air Heaters probes/ heating /infrared

CRITIDES TECHNICAL ASSOCIATES

System Integration - Custom Control Cabinets - Calibration Services - Complete Thermal Systems
